• Certificate of Residence for family members are not required.  
• International applicants who do not reside in Japan at the time of application must submit a copy of their passport. |

(Note)
1. Government-sponsored international students should submit their Certificate of Japanese Government Scholarship Student (prepared by the college/university you graduated from).
2. Application documents (except for “Reason for Application & Desired Research Card”) written in English must be submitted along with a Japanese translation.
3. The English test (except for EIKEN) should have been taken within two years of the entrance examination.
   Applicant who cannot submit the original official score report by application period should submit two copies of official score report and bring the original on the day of entrance exam. **If the original score report is not submitted by the day of entrance exam, the applicant lose the eligibility requirement.**
4. If your current name and your name on certificates are different due to some reasons such as the change of your family name, please attach an abstract of your family resister.
5. Any misrepresentation of facts in the submitted documents or the items entered will justify the denial or cancellation of admission even after you have been admitted.

10. How to Pay the Entrance Examination Fee
(1) Examination fee: 30,000 yen
(2) Payment period:
   **July 20 (Tue) to July 27(Thu), 2017**
(3) Where to pay
   At a window at a post office or bank
   Applicants must pay all bank charges incurred when sending application fees.
   *Do not use an ATM (automated-teller machine). Be sure to pay at a window at a post office or bank.
(4) How to pay
   ① Please pay the examination fee at a window of a post office or a bank after filling out the bound-in examination fee payment form [Do not use an ATM (automated-teller machine) to pay the examination fee.]
   ② After the payment, be sure to paste the “Certificate of Payment” issued at the window on the “Pasteboard for Examination Fee Payment Certificate” and submit the pasteboard.
(5) Important points in the application
   ① Application will not be accepted, if the examination fee has not been paid, or if the “Certificate of Payment” has not been pasted on the dedicated space in the “Pasteboard for Examination Fee Payment Certificate.”
   ② Except for the following reasons, the examination fee will not be returned after receiving the application documents:
      1) The examination fee was paid, but no application was made (the application documents were neither submitted nor received by the university), or
      2) The examination fee was paid more than once.

How to request the returning of examination fee
Please prepare a request for returning the examination fee (no particular form required) in which the reason for the request, applicant’s name (with name seal on the right of applicant’s name), name of Graduate School you have applied for, applicant’s present address, postal code, contact phone number, name of the bank to be used for transfer, branch name, account number of an ordinary deposit and accountholder’s name (with the name in English) are clearly stipulated. (If the applicant’s name and accountholder’s name are different, the relationship between the applicant and the accountholder must be indicated.) Then, send it with the “Certificate of Payment” attached by mail immediately.

Where to send: Postal code: 860-8555 2-39-1 Kurokami, Chuo-ku, Kumamoto City Finance Affairs Division, Administrative Department, Kumamoto University Phone: +81-96-342-3176

11. Announcement of Successful Applicants

11:00 a.m. September 11 (Mon), 2017

Announcement of successful applicants will be made by posting the Application Numbers of successful applicants in front of the entrance of the building for the Graduate School of Health Sciences, and by mailing letters of acceptance directly to successful applicants.

Also, the Examination ID numbers of successful applicants will appear on website of Kumamoto University (http://www.kumamoto-u.ac.jp/) for reference. (To be uploaded around 11:00 a.m. The time of upload may be delayed due to the communication environment status on that day.)

The name described on the acceptance letter may differ from the one written on the Application Form, as a simplified form is used when the names of successful applicants are entered into our computer. Also, names may only be written in Katakana. Your understanding is highly appreciated.

Inquiries on the exam results via phone will not be accepted.

12. Admission Procedure, etc.

Details of the admission procedure will be explained in the instructions enclosed in the letter of acceptance.

(1) Period of admission procedure
   March 11 (Sun) to no later than 17:00 on March 15(Thu), 2018
   Admission procedure should be done by sending the necessary documents by express registered mail or bringing them directly to us.

(2) Matter to be noted for admission
   Undergoing no procedure during the period of admission procedure will be regarded as a decline of admission.

(3) Necessary expenses at the time of admission
   Admission fee (estimated): 282,000 yen
   Note: The amount of and how to pay the admission fee, and details of the Admission Fee Exemption and Admission Fee Payment Postponement Systems will be notified when mailing a letter of acceptance.

(4) Documents necessary for the admission procedure, etc.
   ① written pledge, ② letter of guarantee, and ③ color frontal portrait (3.6 cm × 3 cm)

(5) Tuition
   First semester: 267,900 yen (annual amount: 535,800 yen) (scheduled amount)
   Note 1: Amount of the tuition, how to pay the tuition and details of the Tuition Exemption System will be notified when mailing a letter of acceptance.
   Note 2: If the tuition is revised by the admission or during the enrollment, the new tuition is will be applied from the time of the revision.

13. How to Apply for International House Accommodation

Non-Japanese applicants who want to move into the International House after admission should apply according to the items below. The period of residence is up to one year as a general rule.

Unsuccessful applicants cannot move into this facility.

(1) How to request an application form for the International House
Application forms may be picked up at the desk of the Global Education Division, or be requested by mail or e-mail. Also, it may downloaded from the website of Kumamoto University as below.

【URL】
http://www.kumamoto-u.ac.jp/kokusai/kokusaiya/kokusaiya/ryoukin

【requesting by air mail】
If requesting by mail, please send an envelope with the words, “Request for an Application Form for International House Accommodation” clearly written on the front in red, and with a return-mail envelope enclosed (standard-size envelope (12cm × 23.5 cm) with your mailing information clearly written on it, with an 82-yen stamp affixed).

(2) Submission deadline for application forms for International House Accommodation
No later than February 2 (Fri), 2018

(3) Where to request (refer) & submit
〒860-8555 2-40-1 Kurokami, Chuo-ku, Kumamoto City
Global Education Division (Student Affairs Department), Kumamoto University
Phone: +81-96-342-2160
Fax: +81-96-342-2130
E-mail: gii-ryugaku@jimu.kumamoto-u.ac.jp

14. Others
(1) Special Measures for School Hours, etc.
The Graduate School of Health Sciences provides working enrollees with classes and intensive courses held during the nighttime and in a specific season or time based on the stipulation in Article 14 of the Standards for the Establishment of Graduate Schools. Those who wish to apply for this program should make a specific request at the time of prior consultation.

(2) Long-term Study System
The Graduate School of Health Sciences may admit after screening those who have requested for the extended enrollment and completion (up to six years) beyond the standard completion period (three years) under such circumstances as having a job, etc. Entitled to this system are called “long-term enrollees”, and the total payment of their tuition is as same as that of enrollees for the standard completion period. Since an application form for the Long-term Study System will be enclosed to the guideline for the admission procedure, persons who wish to apply for this system should follow proper procedures.

(3) Matters to be Noted
① Changes to the content of the application documents and refunding the entrance examination fee are not permitted after they have been received.
② Any misrepresentation of facts in the submitted documents or the items entered will justify the denial or cancellation of admission even after you have been admitted.
③ Be sure to bring your Admission Ticket with you. Since the Admission Ticket will be needed in the admission procedure, please be sure not to lose and keep it even after you pass the entrance examination.
④ Disabled applicants for the entrance examination who need special consideration for taking the exam and studying should contact the Student Affairs Section, the Graduate School of Health Sciences, Kumamoto University by July 3(Mon), 2017.
⑤ Entering and parking in the premises of Kumamoto University with private automobiles is not permitted.

## Personal Information

Applicants' personal information that Kumamoto University acquired through screening of applicants will be used as follows, in addition to the screening for enrollees:

1. Names, etc. of successful applicants will be used for the purpose of admission procedures.
2. Names, etc. of enrollees will be used for the purpose of enrollment, such as management of the student register.
3. Addresses and names, etc. of enrollees and tuition fee payers will be used for the purpose of payment management including collection of tuitions.
4. Personal information such as academic records and results acquired in screening for enrollees will be used for the purpose of admission fee/tuition exemption and screening for scholarship students.
5. Personal data processed through statistical methods so as not to identify individuals will be used for survey/research, etc. related to screening for enrollees.

* The personal information that Kumamoto University acquired will neither be used for other purposes nor provided for third parties without consent of the applicant, except for the cases stipulated on the Article 9 of the “Act on the Protection of Personal Information Held by Independent Administrative Agencies, etc.”
